Make in India

KEY BENEFITS

SECURITY & POLICY COMPLIANCE

Full compliance with mobile-free and restricted access policies

SECURE WEAPON STORAGE

Secure gun and ammunition lockers with user-based tracking

SMOOTH VISITOR EXPERIENCE

Delivering a seamless visitor experience at army canteens

WAYS OF SMART ACCESS

Biometric, PIN, or RFID access based zon rank or clearance level

TAMPER ALERT NOTIFICATIONS

Instant tamper alerts and entry notifications for security

REAL-TIME TRACKING

Live tracking of who accessed item, at what time, and for what duration

USE CASES ACROSS DEFENCE FACILITIES

NO-PHONE ZONES

Secure pre-entry storage for phones, watches and devices

MILITARY CANTEENS

Lockers safeguard civilian belongings while maintaining facility security

ARMORIES

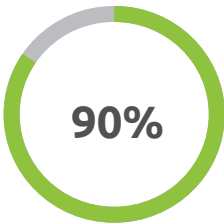

Enable detailed tracking of weapon and ammo issuance and return with logs

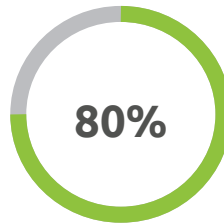

MILITARY ACADEMIES

Secure personal devices for drills, exams and classified briefings

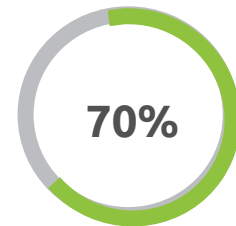

STATISTICS

Reduction in security protocol violations

Reduction in misplaced assets & breaches of secure zones

Reduction in misreporting through digital logs and alerts

HOW IT WORKS

Personnel or visitors deposit items in assigned smart lockers

Locker access via secure ID — RFID, biometric or PIN

Each access is carefully tracked to ensure security

Instant push notifications for any unauthorized access

Auto-scheduled insights for locker usage and access

ENABLING YOUR *DESIGN FREEDOM*

Your Design

We have a wide range of finishes in metal and wood to choose from to match your existing or new decor. We can incorporate images, logos, and unique visual effects to get the design you want. We are even able to manufacture your smart lockers with an anti-microbial finish.
